To Whom It May Concern:

Please accept this letter as a statement of objection in relation to the Payment Card Interchange Fee and Merchant Discount Antitrust Litigation identified as No. 05-MD-1720 (MKB)(JAM).

ASB Sports Acquisition Inc dba Game One is a member of the Rule 23(b)(2) Class in the case called *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*. We object to the proposed settlement. Game One is a member of the class because we are a merchant who accepts Visa and Mastercard payment cards covered by the litigation. We are a retail business that sells team sports apparel and related goods to institutions and their fans with facility operations in five states servicing customers nationwide via our 680 employees. The current credit and debit card system is anticompetitive due to the limited number of primary merchant service providers, Visa being a prime example. Swipe fees among other imposed transaction related fees have grown over the years. This settlement does not solve these primary problems within the merchant service industry.

Thank you for your consideration. Should you need to contact our attorney, Matthew Miller, he can be reached at 401 East Las Olas Blvd Ste 2000, Fort Lauderdale FL 33301, 954-765-0500.

Sincerely,
